

## Join the MCDA Email Networking List

Correspond, ask questions, post messages or share information with other members of the Maine Community Development Association!

Members of the Maine Community Development Association (MCDA) are encouraged to participate in a great resource tool and a free benefit of membership in MCDA. The MCDA Networking List, which has just recently been activated, is a great place to network and share information with your colleagues and fellow members. By belonging to the Networking List, a member who has a question or would like to post a message can use one email address and it will be sent to everyone who is a member of the discussion group.

Membership to the Networking List is restricted to MCDA members only as a benefit of membership.

There are two ways to subscribe to the MCDA email Networking List:

1. Return the enclosed Verification Form with your membership dues payment and complete the email section noting that you wish to be part of this new group, or
2. Visit the MCDA website at [mainecda.org](http://mainecda.org) for instructions to join.

Once your account is activated, you will be notified via email and the instructions for posting to the Networking List will be available online at [www.mainecda.org](http://www.mainecda.org).

We look forward to your participation!
